The Dewan
of Mysore.

Sir.

I am directed to invite your attention to entry No. 21 under Part II Financial in your Proceedings for the month of December 1884, and to enquire under what circumstances a personal allowance of Rupees 250 per mensem has been granted by the Mysore Government to Surgeon Major J. J. McGann in addition to the existing emoluments of his Office as Civil Surgeon, Mysore.

2. I am to point out that under the Provisions of Section IX, rule 9, of the Civil Pension Code, the assent of the Local Government is necessary to any increase of pay or allowances assigned to an officer whose services have been lent to a Native State, and who contributes towards a pension any part of which is payable by the British Government. Moreover in accordance wit

the Circular of the Government of India in the Foreign Department No. 843 dated 5th March 1884, a copy of which was forwarded to you with this Office letter No. 65/10 dated 5th April 1884, any increase of pay (including personal and local allowances) granted to such an officer by a Native State must be reported by the Government of India for communication to the Secretary of State.

2. I am accordingly to request that you will be so good as to forward the requisite information in Dr. McGann's case at an early date, and that the rules referred to in the preceding paragraph may be strictly observed in future.

I have the honor to be
Sir,
Your Most Obedient Servant.
